A young man's life is in the hands of a jury. Stuck in a sweltering jury room until they reach a decision, 11 of the 12 are ready to convict, but one holdout is far less certain. As tempers flare and arguments grow heated, the 12 angry jurors must reach deeply within to find a common ground that ensures justice. Adapted from Reginald Rose's teleplay *Twelve Angry Men*, *Twelve Angry Jurors* promises to have you and your companions arguing about the nature of justice – and the role of personal prejudices – well past the final curtain.
